**Old Business:**

**1:** Field Day is coming up quickly: June 23<sup>rd</sup>, at 11:00AM through the 24<sup>th</sup> at 2:00PM. The Club has been invited back to operate at Pastor Mike's church in Top of the World. The call sign used will be either the shortest Extra call there, or the Club call WB7TJD. Some of the Scottsdale club members may follow us up there.

**2:** The Club is still looking for new location. The walk to the clock tower is too long. Need to find a facility with a strategic location (Centralized geographically and close to parking.) It has to be inexpensive, such as a library, school, church, or something of that nature.

**New Business:**

**1:** Brian, KC5CAY has gotten photos and serial numbers off the equipment at the Stone Castle and at the airport. He was not able to do the same with equipment in storage.

**2:** Instead of November 3<sup>rd</sup>, the Club picnic will take place on October 13<sup>th</sup>. The Club will supply the meat to barbecue, but everything else will be potluck.

**3:** Ray, K7RAM is not going to be back to the Board or General meetings for a while.

**Miscellanea:**

**1:** The Club has voted to give Robbie, WA6MUE a Ham in a group home an Honorary Membership in the Club

**2:** The April 24<sup>th</sup> hospital drill went through quite well. Kudos from the Department of Emergency Management.

**3:** Gene, WA8TSG mad a Motion to send the 'Red Letter' E-Mail from Tom, K7FFF to the FCC. Larry WB7CRK seconded it. The motion passed.

**4:** An updated version of the Club's Constitution and By-Laws are going out to all officers and Board members.

**5:** The program for next month (June) is: Hands On Antennas.

**Meeting adjourned at: 9:15 PM**
